REQUEST FOR EXTENSION OF TIME

Iridium Satellite LLC and Iridium Carrier Services LLC (together, "Iridium"), pursuant to Section 1.46 of the rules of the Federal Communications Commission (the "Commission" or "FCC"), by their attorneys, hereby request a one week extension of time, through and including January 9, 2015, in which to submit their reply to the Request to Hold in Abeyance ("Request") submitted by Inmarsat, Inc. ("Inmarsat") with regard to the applications submitted by Iridium in the above-captioned proceedings.

Inmarsat filed its Request on December 19, 2014, and served the Request on Iridium by mail. Pursuant to Sections 1.4(h) and 1.45 of the Commission's rules, without an extension, Iridium's reply would be due on January 2, 2015. Iridium's principal counsel for this matter is out of the country on holiday during most of the period during which a reply would need to be prepared. It would be difficult for that counsel to work on the matter while travelling. Given the number of issues raised, to

allow Iridium sufficient time to work with its counsel in preparing a reply, the brief extension herein requested is made.

Iridium has contacted counsel for Inmarsat to advise Inmarsat that this request is being made. Inmarsat's counsel has advised that Inmarsat has no objection to the extension herein requested.

Respectfully submitted,

By: /s/_____
